

HORIZON SERIES
 Hz300/Hz300UX

Description

The Horizon™ Hz300 Series features two models of soundbars which accurately reproduce program audio and dialogue, whether it is from a fully-equipped presentation system or mounted with a stand-alone panel in a conference room. Each speaker is custom built to match the exact dimensions of any display. Utilizing world-class woofers and available with audiophile-grade tweeters, the Hz300 or Hz300UX ensure superb dynamic range and tonal clarity.

Key Features

- Custom crafted to match the exact width and finish of any display
- Easily mounts to articulating TVs or to the wall with Leon's brackets
- As thin as 2" deep to ensure compatibility with flat-screen TVs
- Solid MDF construction, handcrafted in the USA
- Available as L/C/R, L/R or Center-only channels

Recommended Pairings: AxV60, Ds300UX, ACS8-400
