

PROFILE SERIES

Pr250UT

Description

Leon's Profile ultra-thin speakers are less than 2" deep and custom built to exactly match the height of any display. The Profile Pr250UT utilizes Leon's exclusive 2.5" aluminum cone woofers and cloth-dome tweeters to offer uncompromising, detailed sound reproduction ideal for hospitality and corporate boardroom installations.

Key Features

- Custom crafted to match the exact height and finish of any display
- As thin as 2" deep to ensure compatibility with flat-screen TVs
- Easily mounts to articulating TVs or to the wall with Leon's brackets
- Available as a stereo pair or multichannel speakers
- Solid MDF construction, handcrafted in the USA

Recommended Pairings: AxV60, Ds400, ACS8-400
